

World Cup Football Anthem

Sung to Onward Christian Soldiers

Onward England,* onward (change name of nation as suitable)
 Make us proud again
 We are right behind you
 With our love maintained
 On that field of glorious green
 With our hopes contend
 Strive to glory, be your story
 Make us proud again

Onward England,* onward (change name of nation as suitable)
 Make us proud again
 We are right behind you

Rebirth to Onward Christian Soldiers

| <p>1 Strong in faith believer
 Fear not the unknown
 One in trust before us
 Him we can believe
 Christ our Royal Captain
 Bid in him arise
 Take him at his calling
 Be the chosen few!
 <i>Christian in thy service</i>
 <i>Christ calls thee to faith</i>
 <i>This is perfect freedom</i>
 <i>Living in his grace!</i></p> | <p>2 Faint not in thy trials
 Thou art saved to serve
 Weary not at passions
 Yield of earth's domains
 Soon their shouts of triumphs
 Fade away in vain
 Christ be made thy conquest
 To his Name give way!
 <i>Christian in thy service</i>
 <i>Christ calls thee to faith</i>
 <i>This is perfect freedom</i>
 <i>Living in his grace!</i></p> |
